

Instructor recommendation sheet: Fill out any information you feel is pertinent.

Your Title:

What class are you requesting these items for?

Name topics you will be discussing this term:

Please write the titles or authors of any specific items you would like to request from the library:

Please write the titles or authors of any specific items you would like to request for purchase by the library:

Do you want us to collect items and put them in one place? If so, do you want the items we collect to support your classes kept **on hold** so students will have to use them in library, but all students will have access

or

Would you like them **available for individuals** to check out? (Please circle one).

Would you like us to make up a list of items available to support your topic and have students find or request items?

Do you want us to post the item list on the library webpage for quick access?

Do you want these items to be held in the main library or at the Wadiswan Satellite site?

Please fill in these answers. Send in an email to [hristau@wetcc.org](mailto:hristau@wetcc.org)
